

Dear Family,

We are excited you will be joining us at God's Garden Preschool, a Ministry of First Baptist Church Dover. We are so grateful that you have chosen to be a part of our family.

Our school exists first and foremost to spread the love of Jesus to the children and families we serve. We do this by hiring loving, nurturing, Christian teachers, embedding Bible stories and Christian values into our daily curriculum and living out the fruits of the spirit in our daily interactions with others. Our vision is to instill the traits of love, joy, peace, patience, kindness, goodness, faithfulness, gentleness and self-control in all of the children who enroll in our program.

In addition to our Christian foundation and beliefs, we believe a child's first school experience has the ability to set the stage for a lifetime love of learning. By providing children with child-centered, meaningful, experiential learning opportunities we are teaching them that learning can be fun. Every activity we plan, every lesson we teach, every interaction we have, every decision we make starts with the question, "is it developmentally appropriate?" That is, appropriate for each child based on their age, interests and developmental level. We are committed to making sure your child's learning experience meets the needs of *YOUR* child and sets them up for a lifetime of success.

We look forward to this school year and the opportunity to spend our days ministering to and teaching your child. Please make sure you "Like" us on Facebook at www.facebook.com/GodsGardenPreschool and visit our website at www.godsgardenpreschool.net to keep up with announcements and updates.

Sincerely,

Christy Carbaugh
Director
