## **A Note from the Director...**

Happy Monday! I hope you are loving this change in the weather as much as I am! The children are enjoying spending more time outside soaking in the cooler temperatures. We purchased two picnic tables so we can take some of our indoor activities outside. If anyone has any old comforters or blankets you would like to donate we would make good use out of them for outdoor picnics. 😊

The children have been busy learning about all things Fall- pumpkins, apples, leaves and weather. We are looking forward to our Fall Festival parties next Friday. Please check with your child's teacher for more information.
